Machine Operator, Wallingford - Job ID# 220671

A manufacturing company in Wallingford is looking to add experienced machine operators on the 2nd shift! This is a Temp to hire position (90 days). \$11-\$12/hr. depending on experience.

Ability to work in a fast-paced, high-speed environment, follow standardized work and adhere to safe work practices in a continuous improvement environment.

- Experience in a manufacturing environment is a plus
• Perform necessary pre-operation activities to ensure proper equipment startup and operation on multiple pieces of equipment
• Operate/monitor multiple pieces of equipment during operation to ensure quality production and minimal unplanned stops
• Communicate with team members and support teams to ensure continuous production of the correct product at high quality levels with minimal wasted time and materials
• Experience as a Machine Operator is a plus
• Ability to read blueprints, schematics, micrometers, calipers and other measuring equipment
